

## **BayREN Home+ Contractor Referral Bonus – Overview & Eligibility Criteria**

### **Referral Bonus Overview**

The Bay Area Regional Energy Network (BayREN) offers up to \$5,000 in rebates for energy efficiency upgrades when installing eligible equipment through a participating contractor! Your trusted contractor may not already be enrolled with BayREN Home+ so we would like to provide the opportunity to help get them enrolled as part of your energy efficiency project so you may access these rebates and earn a referral bonus in the process!

From January 1st, 2022 until December 31st, 2023 BayREN is implementing a Contractor Referral Bonus of \$100. This incentive will be reserved for customers who refer a qualifying contractor to BayREN Home+ that successfully completes all onboarding steps, becomes a program participating contractor and submits a project for rebates after January 1<sup>st</sup>, 2022.

### **Referral Bonus Eligibility Criteria**

- Customer refers contractor to the BayREN Home+ Program
- Contractor will note the customer as their program lead-source for tracking purposes
- Contractor must successfully complete all onboarding steps for the BayREN Home+ Program – Participation status will be updated from onboarding to provisional/active.
- Referral is eligible for payout once the contractor's first BayREN Home+ project is successfully submitted and paid

### **Referral Bonus Payment**

Referral bonus will be mailed directly to the customer following the contractor's successful completion of their first BayREN Home+ project. BayREN's contractor services team will confirm eligibility and process referral payment in the form of a Visa gift card to customer when ready.
