

BayREN is a collaboration of the 9 counties that make up the San Francisco Bay Area. BayREN implements effective energy saving programs on a regional level and draws on the expertise, experience, and proven track record of Bay Area local governments to develop and administer successful climate, resource, and sustainability programs.

## SINGLE FAMILY

BayREN is the exclusive administrator of Energy Upgrade California® Home Upgrade and the Advanced Home Upgrade Assessment Incentive for single family homeowners in the Bay Area. BayREN provides rebates of up to \$3,000 for Home Upgrade and \$300 for homeowners who have completed an energy assessment through the utility-administered Advanced program. BayREN also offers a Home Upgrade Advisor Service which provides free technical and one-on-one assistance to home owners and contractors.

**CODES & STANDARDS**

**PROP Jurisdictions**

The Permit Resource Opportunity Program (PROP) is designed to enhance energy code compliance processes in building departments and establish regional compliance baselines and best practices.

**Trainings**

Energy code trainings are designed to provide the building community with practical implementation strategies for code compliance and enforcement.

**Forum Attendance**

Seven regional forums were held that focused on policy and program design issues and energy code compliance.

**MULTIFAMILY**

The BayREN Multifamily program offers property owners free technical assistance and rebates of \$750 per unit for saving 10% or more of their whole building's energy usage. The program has been extremely popular, and has exceeded its unit goals for technical assistance and rebate reservations. To date, 8,384 units have completed, receiving \$6,287,172.13 in rebates.
